it is important for women to know why the attacks come at their heart the very seat of their emotions and feelings god made a woman from the rib over the heart of man the rib was designed to protect the heart i believe women are the heart of men and his strength lies at this heart and it is for the benefits of the man not to hurt bruise or harm the heart of a woman when he does it kills who he is the stronger she is the more balance he becomes the heart of the woman can settle the man when he cannot see it in the activities of her soul satan didn t attack eve because she was a woman he attacked her because she was the heart of the man therefore my mission and purpose of this book is to encourage equip and empower women to be strong be smart but most of all guard their hearts the power of the man is in the heart of a woman and when a woman

gives up her heart to a man who has a heart for another woman she loses more than her heart she loses her identity a man needs to know how to be sensitive to a woman s heart before he pursues it unless he is willing to destroy his own life men must also learn how to nurture and care for his heart before he attends to deal with the heart of the one he loves men can be strangers to love and cannot find the power of his heart until he knows the heart of a woman and when he doesn t he dies without fulfilling his god divine designed god designed men and women to reign in his kingdom but we cannot surrender it for our own foolishness while the woman makes plans to be with someone who understands her heart
